-N.D., Football Club Secretary

“Great job once again. Your service is both outstanding and personal. THANKS! You guys are great.”

-K.H., Little League Player Agent

“I can't believe registration was this easy to set up. Thanks for all your help. You are the best!”

-S.M., Youth Soccer Registrar

“Success isn't the word! I am thrilled with the registration process and my family is happy that I have been able to see movies with my kids, make dinner and have a life. I spend a few hours a day with baseball instead of ALL day for weeks. I'm LOVING this! I NEVER have been able to do that in February!”

-T.K., Softball Registrar

# ONLINE REGISTRATION

## Why Offer Online Registration

- ▶ More convenient for parents - register 24 hours/day 7 days a week, avoid missing registration dates and deadlines, no long lines.
- ▶ Less data entry for volunteers.
- ▶ Fewer checks to process and reconcile.
- ▶ Accurate email addresses for email blasting.
- ▶ Fewer mailings saves money.

## Why Register with LeaguePilot

- ▶ **Dependable** - LeaguePilot has facilitated the collection of millions of dollars in online registrations since 2001.
- ▶ **Flexible** - LeaguePilot handles both new and previously registered players, coaches and volunteers, multiple family members, discounts, late fees, fund raisers, and whatever else your league needs to mirror your existing offline process. The small convenience fee may be added at the end of the registration process or embedded into the registration fee.
- ▶ **Quick** - The entire online registration process takes minutes. Fees and data are available for your use immediately because money collected goes directly into YOUR back account.
- ▶ **Secure** - All transactions are fully secured using the latest available technology. Because all transaction data goes directly into your bank account, sensitive billing information is never seen by us nor stored on our servers.

## Why Use League Organizer™

- ▶ Thousands of leagues use League Organizer™ to manage their players and volunteers because it is the most comprehensive league administration software available.
- ▶ One program does it all - registration, scheduling, uniforms, equipment, and finances. All sections are fully integrated, making league management easier and faster.
- ▶ Online registrations download seamlessly into League Organizer™ with a click of the mouse button.

## How Online Registration Works

- ▶ League Organizer™ uploads last year's registration file and creates a unique user ID for each person.
- ▶ Parents go to your website, enter the ID, update information as necessary, pay by credit card, and receive instant confirmation. Of course new players and volunteers can also register.
- ▶ Parents must accept all medical or other releases you require or they will not be allowed to complete the registration process.
- ▶ The registration fee is entered into your league's own merchant account for instant access to your funds.
- ▶ The League Organizer™ Online Registration Module pulls the registrations into a temporary file. You check the names, print a report, and update your database.
